Minneapolis, Minn., Sept. 11.—(Special.) Kansas City defeated Minneapolis twice today in well played games. The first game went to the Blues by virtue of Abbey's su-perb twirling and dumb playing on the part of the Millers. Although hit harder than Figgemeier, Abbey had finer control and never lost his head at critical times. The never lost his head at critical times. The Blues fielded brilliantly. Connaughton played a phenomenal game at short and Menefee's fielding and base running were great. McVicker was the man that won the game for the Blues, when, in the seventh inning, with the bases full, he made a long run and caught the ball off the ground, retiring the side and preventing the Millers from scoring three runs.

In the second game Hutchison was a perfect puzzle to the Blues and in six innings but one hit was made off him. A costly error by Eustace in the third gave Kansas City the only two runs scored. Pop Nicholson's work was sensational in the extreme. The score:

Cincinnati 19-4, Washington 10-8, Cincinnati 19-4, Washington 10-S.

Washington, Sept. IL.—The loss of the first game was largely due to disastrous errors made by the Senators, which allowed the visitors to secure a lead not possible to overcome. Although the hits were equal, the home players could not make them effective. In the second game Dwyer was hit freely and to good purpose. The Senators played better in the field. The last game was called on account of darkness. Attendance, 2,000. Scores:

## ORNAMENT IS BEATEN.

The Great 3-Year-Old Loses the Au tumn Cup at Sheepshead

Bay. New York, Sept. 11.-Weight told on the great 3-year-old, Ornament, and did not on the great 2-year-old, Hamburg, on this, the last day of the meeting at Sheepshead bay, for the former was badly beaten in the Autumn cup and the latter won the Great Eastern handicap with consummate

the Autumn cup and the latter won the Great Eastern handicap with consummate ease.

Sailor King threw his jockey and was withdrawn. Hamburg was first to show in front, and without effort on the part of Taral he gradually drew away and won as he pleased by a length and a half.

Then came the cup race and Ornament was backed heavily. Ornament made a hid for the lead as they rounded the upper turn for the last time and it could be seen that the favorite was in difficulty, for he had tired completely under the heavy weight he carried. Into the stretch they ran, and now Ben Holliday was in the lead, with Dutch Skater and Ben Eder coming fast. Ben Holliday managed to land the rich stake by a neck over, Dutch Skater, while Ben Eder slid into third place, with the favorite fourth, all badly tired out. Patrol fell in the fifth and broke his leg. Summary:

Boston 11, Philadelphia 0.

Boston, Sept. 11.—The Bostons overwhelmed the Phillies to-day, batting Orth at will. To the visitors Klobedanz was an enigma. The two home runs by Duffy and the one by Lowe brought men in ahead of them, in each case, while the other hits were fruitful in building up the score. The rather listless work of the Philadelphia outfield was also a factor in the home team's rungetting. Attendance, 4,660. The score: and Kenmore Queen also ran. Sallor King withdrawn.

White Frost Wins Ohio Stakes.

Cincinnati, Sept. 11.—A great crowd saw White Frost win the Ohio stakes at Oakley to-day in a hard drive and at the same time establish a new track record for a mile. Simon W. set out to make the pace and took his mate along at a merry clip until the stretch was reached. Then Scherrer went to work on White Frost and in one of the grandest finishes ever witnessed at the track landed White Frost a winner by a nose in the fast time of 1:39½. To-day.

The first of the transferred games between St. Joseph and Burlington, of the Western Association, was played at Exposition park yesterday afternoon before a good sized crowd of fans, who were especially interested in seeing the brand of baseball played by the members of the Western Association. The game was a snappy one throughout, and both teams made a good impression. The playing of Viox and Sawyer was the feature. Burlington won by a score of 9 to 4.

Two games will be played this afternoon for one admission, the first game to be called at 1:30 o'clock. Meredith will pitch the first game, and Drummy, the Armourdale boy, the second. Drummy is the pitcher who is said to outclass Pardee, and as he and Meredith will both wear the blue next season they should be good drawing cards to-day. The score:

Star Pointer Wins Again.

Medford, Mass., Sept. 11.—In spite of the gilt-edged condition of the horses and track, no new records were established in the Star Pointer-Joe Patchen race at the Mystic track to-day. Pointer won the race in two straight heats, the time being 2:03% and 2:04%, respectively, his fastest quarter being the last one in the first heat, which was at a two minute clip.

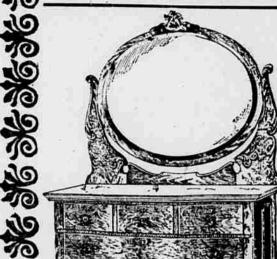

Patchen drew the pole. McClary drove Star Pointer and Geers drove Patchen. In the first heat, 500 feet from the finish, Pointer had his nose in front of Patchen and the latter could not overtake him, and Pointer shot under the wire a winner by a neck. The time by quarters was: 0:30%, 1:01%, 1:33%, and 2:03%.

In the second heat the word was given with Patchen a neck ahead of Pointer, who had the pole this heat. This heat was cut for slower time, and the first quarter was half a second slower than the corresponding quarter in the first heat. Pointer led at the quarter turn by half a length. This lead was gradually increased to nearly a length at the half, but at the three-quarters pole Patchen was on even terms with the pacing king. From that point the latter steadily forged ahead and Patchen could do no more than keep his forelegs abreast of Pointer's wheels. In this nosition they finished, The result gave Pointer the two heats necessary to secure the 4,000 purse. The time by quarters was: 0:31, 1:01%, 1:33 heats necessary to secure the \$4,000 purse. The time by quarters was: 0:31, 1:014, 1:33 and 2:044.

Kid Lavigne has been pronounced the greatest lightweight pugilist the world has ever known, and Walcott, who is naturally a welterweight, has many times given evidence of his cleverness in the ring. The exercise of great tact and diplomacy was required to bring the men together, as they differed materially in their views on the vital question of weight. Tom O'Rourke, acting for Walcott, finally conceded a point to the Lavigne party and agreed that his man should weigh 12.
